Dear Takaishi-san:

In response to Notice to File Missing Parts of Nonprovisional Application filed under 37 CFR 1.53(b) - Filing Date Granted, we filed the executed Declaration and Assignment for the above-identified application. Copies of the papers as filed in the U.S. Patent and Trademark Office today are enclosed for your records.

Attached is the Official Filing Receipt issued by the U.S. Patent and Trademark Office (U.S.P.T.O.). The U.S.P.T.O. has changed its procedures and is issuing Official Filing Receipts soon after an application is filed, even if the Declaration and Power of Attorney has not yet been filed. Additionally, the U.S.P.T.O. will issue a second Official Filing Receipt after the Declaration and Power of Attorney is filed. Therefore, it is suggested that we await issuance of the Official Filing Receipt that follows the filing of the Declaration and Power of Attorney before requesting any corrections. Accordingly, at this time we have not reviewed the attached presently issued Official Filing Receipt for accuracy of information.

We will keep you informed of all further developments with respect to the prosecution of this application. Thank you for allowing us to be of service.

Very truly yours,

A handwritten signature in black ink, appearing to read "Peter D. Olexy".
